

OFFICE OF REFUGEE RESETTLEMENT
Unaccompanied Alien Children Program
Sexual Abuse Allegations Reported to DOJ
Fiscal Year 2015

Incident No.	Date Reported to OIR	Reported to FBI?	Reported to EOUSA?	Date Reported to DOJ	Care Provider Facility	Care Provider Facility Where Incident Occurred (If Different)	Description of Incident	Was the allegation investigated?	If yes, what are the results?	Was the staff member removed from duty immediately after the allegation was reported?	Current status of staff member
1	07/23/14	Yes	Yes	10/01/14	Shenandoah Valley Juvenile Center	Shiloh Treatment Center	UAC reported he was abused by the same staff member twice while at Shiloh in June 2014. In the first instance, UAC said the staff grabbed his hand and pulled it towards his groin while sitting. UAC pulled away, but staff member squeezed his hand and held it over his crotch for about 40 seconds. Staff then slapped the back of the UAC's head. A few days later while UAC was sleeping, the staff member squeezed the UAC's crotch area over his clothing. The staff threatened UAC not to say anything.	CPS and Licensing investigated and no findings were made.	Yes		Employed, but not longer working with UAC.
2	10/16/14	Yes	Yes	10/20/14	BCFS San Antonio LTFC	IES Driscoll	UAC reported that another UAC who was previously in BCFS San Antonio LTFC stated that he was in a relationship with a 24-year old woman staff member at IES Driscoll. UAC reported that the other UAC was placed in URM in PA but left after 15 days to move back to TX to live with the woman. This UAC believes the woman staff is no longer with IES Driscoll.	CPS/Licensing investigated and no findings were made.		Staff member was not named and worked at a different facility.	N/A
3	10/18/14	Yes	Yes	10/31/14	IES Driscoll	N/A	UAC reported that a Youth Care Worker at IES Driscoll had been passing him letters and made statements like "Should we go to the bathroom?" or "Should we go to the house alone?" or "I want to give you a blowjob." (Roughly translated.) Youth Care Worker said to the UAC that he would give the UAC a \$200 bracelet. Another Child Care Worker stated that he saw one of the notes given to the UAC, and it said "I love you much... really I do."	CPS/Licensing investigated and no findings were made.	Yes		Resigned. Staff member was cleared but did not return to work.
4	11/08/14	Yes	Yes	11/12/14	Heartland SCIV	N/A	UAC reported that he had awoken to find staff with his hand on the UAC's stomach.	Incident was reported to CPS but was not investigated.	Yes		Resigned
5	11/07/14	Yes	Yes	11/13/14	BCFS Harlingen	N/A	Two UACs reported witnessing another UAC kiss a staff member. The UAC denied the allegation. He was moved to a different group and closely monitored.	CPS/Licensing investigated and no deficiencies were found. Incident was reported to law enforcement but not investigated.	Yes		Employed
6	12/04/14	Yes	Yes	12/05/14	Morrison Downtown	N/A	Staff reported inappropriate behavior between another staff member and a UAC. During a group outing, the staff member and UAC had a lot of physical contact, including touching hand to hand, standing abnormally close to each other, sitting with thighs and shoulders touching and the UAC walking up to the staff member and making front contact. Other staff members had previously expressed concern about this staff member having inappropriate boundaries with the UAC, noting that they touch each other in a playful way and make opportunities to be alone together as much as possible.	Incident was reported to CPS/Licensing but was not investigated.	Yes		Terminated
7	12/13/14	Yes	Yes	12/15/14	Southwest Key Estrella	N/A	UAC reported that a Youth Care Worker approached him twice and offered the UAC shoes in exchange for allowing him to fondle the UAC's genitals. The UAC said no, and the staff member left.	Incident was reported to CPS/Licensing and law enforcement but was not investigated.	Yes		Terminated for unrelated reasons.
8	12/27/14	Yes	Yes	12/29/14	LSS New Hope	N/A	UAC reported that another UAC was involved in an inappropriate relationship with a female staff member.	Licensing investigated and no deficiencies were found.	Yes		Employed
9	04/01/15	Yes	Yes	04/01/15	Morrison Secure	BCFS Chavaneaux	UAC disclosed that he had a romantic relationship with a staff member at his previous placement. UAC did not disclose the name of the staff member, but he stated they were boyfriend-girlfriend. UAC alleged that during orientation he was isolated in his room and she would bring his meals and they would kiss. UAC would not disclose if he and the staff member engaged in sexual acts other than kissing, but he did say they used protection. UAC and the staff member exchanged contact information so they could remain in contact after his release.	Licensing investigated and no findings were made. The incident was reported to law enforcement but was not investigated.	Yes		Reinstated
10	04/03/15	Yes	Yes	04/06/15	Friends of Youth Mahan	Childrens Village	UAC reported that another UAC at Children's Village would pull his pants down and expose him to other UACs. UAC reported this occurred after he hit the other UAC in the testicles on one occasion. UAC disclosed that a staff member would show pornographic videos to UACs on her phone. UAC stated that after he and other UACs watched the videos, they would go to their shared room and masturbate under their blankets and sometimes in front of each other. He also reported that another UAC would frequent top other residents' joints while in line but never tapped his penis.	The incident was reported to CPS but they did not investigate. Law enforcement investigated but the claim was unfounded.	Yes		Reinstated
11	04/11/15	Yes	Yes	04/13/15	Southwest Key Estrella	N/A	UAC disclosed to a clinician that a staff member entered his room in the morning and began touching his stomach. He then left the room. He later returned and touched the UAC's genital area.	Incident was reported to CPS but was not investigated. Law enforcement arrested the staff member.	Yes		Terminated
12	4/11/15	Yes	Yes	04/13/15	Lakeview Washington	N/A	UAC reported that a staff member has behaved inappropriately. On one occasion, the staff member tried to kiss her on the mouth. She told another UAC what happened. Later in the evening, she and the other UAC were listening to music when the staff member asked if they wanted to dance. The staff member then started to "grind." The staff member then took pictures of the UACs and they exchanged contact information. On another occasion, the staff member has a noticeable erection around the UACs. He hugged UAC from behind and asked her to squeeze his erection. UAC fell asleep on the sofa and awoke to find the staff member rubbing her butt. UAC got up and went to the laundry room, but the staff member followed and began kissing her on the mouth.	Incident was reported to CPS and law enforcement. The staff member was arrested, charged with sexual abuse, and prosecuted.	Yes		Terminated
13	04/29/15	Yes	Yes	5/1/15	Morrison Secure	N/A	UAC reported that staff member saw his buttocks in the bathroom when the door was open. UAC also reported that he believed he saw staff member take out a cell phone and take a picture of him.	CPS investigated and determined the incident was unfounded. Law enforcement investigated and found there was no abuse.	Yes		Reinstated
14	05/20/15	Yes	Yes	05/21/15	KidsPeace	N/A	UAC reported that another UAC has a special friendship with a staff member. The staff member spends time with the UAC away from the other minors and invites him to come inside and watch videos on his cell phone.	CPS and Licensing investigated and the incident was unfounded.	Yes		Reinstated but not working with UAC
15	05/30/15	Yes	Yes	06/01/15	Morrison Paso	David & Margaret	UAC reported that while at David and Margaret, there was a female staff member that had a relationship with a UAC. He reported that he never saw them touch, but on one outing they became separated from the group. UAC alleged the program found out about the staff member's behavior by reviewing video footage and transferred the staff member and the minor. Additionally, UAC reported that the staff member wore "see through" clothing.	Information was reported to local CPS who indicated they would contact CPS where David & Margaret is located.		UAC could not provide name of staff member or other UAC involved.	N/A
16	06/03/15	Yes	Yes	06/04/15	Bokenkamp TFC	N/A	UAC reported that her foster parent touched her vagina and buttocks on two separate occasions. In the days following her initial report, UAC reported that another UAC in the home was also abused by the foster parent.	CPS/Licensing investigated and no findings were made. Law enforcement investigated and there was not enough to move forward with prosecution.	N/A		N/A
17	06/09/15	Yes	Yes	06/10/15	IES Harlingen	N/A	UAC reported that her foster father approached her from behind, grabbed her shoulders, and attempted to kiss her. UAC asked him to stop and moved away.	CPS/Licensing investigated and deficiencies were found. Law enforcement was notified but did not investigate.	N/A		Child removed from care.

18	07/21/15	Yes	Yes	Children's Home Society	Southwest Key Campbell	UAC disclosed to her current foster parents that a male staff member from Southwest Key Campbell entered her bedroom and touched her while she was sleeping. During a counseling session, UAC disclosed that another UAC has been joking that he has been having a sexual relationship with the children.	The information was reported to CPS and Learning but was not investigated. Law enforcement, interviewed staff but only took report and did not investigate, allegation could not be confirmed.	Perpetrator not identified. Surveillance cameras were reviewed and the perpetrator was not identified.	N/A
19	08/19/15	Yes	Yes	SWP Mens Staff Secure	N/A	UAC's supervisor reported that the minor was staying up late talking to a worker from the shelter. She believed the minor and worker were in a romantic relationship and may have been.	CPS/Learning investigated and no deficiencies were found. Technical assistance was provided regarding proper judgment related to boundaries. Local law enforcement was notified but reported they felt law enforcement would have to follow up.	Yes	Revised
20	08/06/15	Yes	Yes	BCPS Baytown	N/A	UAC's supervisor reported that the minor was staying up late talking to a worker from the shelter. She believed the minor and worker were in a romantic relationship and may have been.	CPS/Learning investigated and the program was cited a deficiency for "interference with an investigation", due to the Program Director speaking with the client prior to the investigation by Learning. Law enforcement was notified and concluded the male clients had an inappropriate conversation amongst themselves and were advised to refrain making comments which can put a program in jeopardy.	Yes	Terminated
21	07/04/15	Yes	Yes	Southwest Key Child Psychiatry	N/A	Staff reported to the Program Director that two male clients enjoyed one of their peers and a comment that a staff member raped him.	CPS investigated and no findings were made. Learning was notified but did not investigate.	No staff member was identified. Staff member was referred to local law enforcement and could have no 1:1 contact.	N/A
22	09/02/15	Yes	Yes	Kiddiehouse	N/A	UAC reported inappropriate contact between a male staff member and another UAC.	CPS/Learning investigated, gave no citations, and deemed the allegations unfounded. Law enforcement investigated and indicated that the case was unfounded, as the elements of the offense were not met. No criminal charges were pressed.	Yes	Employed
23	09/18/15	Yes	Yes	BCPS San Antonio TTC	N/A	Minor reported he was touched by a "nurse" who may have been a staff member. A clinical interview was conducted of the minor by TDP's Residential Child Care program staff member. The staff member was alleged to have had an inappropriate relationship with a minor in which she engaged in a sexual act.	CPS/Learning investigated and closed the case with no deficiencies or technical assistance provided. Law enforcement was not notified due to no alleged victim being identified.	Yes	Reinstated
24	09/15/15	Yes	Yes	St. Pils Childrens Home	N/A			Yes	Reinstated

Total Number of New Incidents Reported to DOJ Involving Staff: 24

NOTES:
1. This includes all allegations of sexual abuse as defined at 34 U.S.C. § 20341, involving staff that occurred in DOR custody and that were reported to OIG.
2. Prior to April 8, 2017, allegations of sexual abuse were referred to DOJ/EOUSA. If the allegation involved an adult, the allegation was referred to DOJ/EOUSA. If the allegation involved a minor, the allegation was referred to DOJ/EOUSA and the DOJ/FBI. After April 8, 2017, all allegations of sexual abuse to DOJ/FBI, including both minor and adult on minor incidents.
3. All allegations referred to DOJ are also referred to RCP/OC.

OFFICE OF REFUGEE RESETTLEMENT							Was the allegation investigated? If yes, what are the results?	Was the staff member removed from duty immediately after the allegation was reported?	Current status of staff member
	Date Reported to ORR	Reported to DOJ	Care Provider	Care Provider Where Incident Occurred (if Different)	Description of Incident				
1	10/30/15	Yes	Heartland Int'l Childrens RC	N/A	Letters belonging to a participant were identified as having inappropriate content. The letters suggested an inappropriate romantic relationship between a participant and another person. The letters were not signed, but contained a phone number and a post it note was affixed on top of the letters with the name of a staff member.	N/A	Yes, reports were made to CPS, licensing, and law enforcement and all parties indicated they would be investigating. From law enforcement, a detective and State Attorney met with staff. 48	6/2/2016	Yes	6/3/2016		SWK Casa Kokopeli	N/A	Client reported a female youth care worker kissed him on the lips.	CPS investigated the incident; no citations or technical assistance issued	Yes, staff was suspended.	
49	6/15/2016	Yes	6/21/2016		St. Pk Childrens Home	N/A	Staff found a note between two UAC that discusses inappropriate sexual relationship between a staff member and UAC.	CPS/Licensing investigated and no deficiencies were found. The investigation is closed.	Staff member no longer employed due to reductions in staff	N/A
50	7/6/2016	Yes	7/7/2016		Shiloh Treatment Center	N/A	Minor was possibly involved in an inappropriate relationship with a male staff.			
51	7/20/2016	Yes	7/25/2016		BCFS Harlingen	N/A	An anonymous letter was received by ORR to report that an inappropriate sexual relationship occurred between a male UAC and a staff member.	CPS/Licensing investigated and no deficiencies were found.	Staff member had already resigned from facility when incident was reported.	N/A
52	8/1/2016	Yes	8/1/2016		IES Driscoll	N/A	UAC stated to staff she heard rumors she was pregnant by staff.	CPS/Licensing closed the investigation with no citations given.	Yes, staff was suspended	Returned to work.
53	8/8/2016	Yes	8/17/2016		Homestead	N/A	Sponsor reported to program that a youth care worker sent her son explicit photos of herself once he was discharged.	Reports were made to the FBI, CPS, law enforcement and OIG. The incident was investigated by OIG.	Staff was terminated.	Terminated.
54							The minor's uncle told the minor's immigration attorney that the minor had told him she had been raped by her foster father in her previous placement.	Reports were made to CPS and law enforcement. Allegations were unsubstantiated by CPS. Law enforcement denied the investigation due to the fact that they were unable to interview the minor, as she ran away from the program.		
55	8/10/2016	Yes	8/10/2016		Bethany USSCR	N/A	Minor said a staff member grabbed him in the crotch area and squeezed after he had been physically restrained	Reports were made to CPS/Licensing but the incident was not investigated.	N/A	N/A
56	9/8/2016	Yes	10/26/2016		Shenandoah Valley Juvenile Center	N/A	Minor informed staff that a late night worker kissed her on the lips during his shift.	CPS investigated and the report was determined to be unfounded.	Staff moved to another housing unit.	
56	9/15/2016	Yes	9/15/2016		KidsPeace	N/A			Yes, staff suspended.	Returned to work.

Total Number of New Incidents Reported to DOJ Involving Staff: 56

NOTES:

1. This includes all allegations of sexual abuse, as defined at 34 U.S.C. § 20341, involving staff that occurred in ORR custody and that were reported to ORR.
2. Prior to April 8, 2017, allegations of sexual abuse were referred to DOJ/EOUSA. If the allegation involved an adult, the allegation was referred to DOJ/EOUSA. If the allegation involved a minor, the allegation was referred to DOJ/EOUSA and the DOJ/FBI. After April 8, 2017, care providers directly reported all allegations of sexual abuse to DOJ/FBI, including both minor on minor and adult on minor incidents.
3. All allegations referred to DOJ are also referred to HHS/OIG.
